

Good afternoon Dr. Smith,

Thank you for taking the time to speak with me about the residency at Regional Hospital.

It was a pleasure meeting with you, and I enjoyed learning more about your program and your institution. After our conversation, I am confident that my skills and experiences are a great match for this opportunity. I am particularly interested in your transitions in care program, as I have experience in educating patients through that difficult process.

I am very enthusiastic about the possibility of residency at Regional. If you need any further information, please do not hesitate to contact me by email or phone. Thanks again, and I hope to hear from you in the near future.

Best regards,

John Johnson
