

# Sarasota Memorial Hospital Pharmacy

## Longitudinal Pharmacy Intern Program

### Job Description

This longitudinal pharmacy internship allows pharmacy students to function under the direct supervision of a pharmacist and serve as a member of the acute care team to assist in various aspects of the medication use process. Opportunities to grow and progress throughout the internship will build upon previous skills learned in the program and pharmacy school. This position is only available for first year pharmacy students.

### Program Training Progression

- Dec 2021 - May 2022: Focus on medication dispensing, central distribution and sterile compounding preparation and regulation
- Jun 2022 - May 2023: Focus on medication reconciliation process by conducting patient interviews to ensure complete and accurate medication list, assess adherence and update drug allergy information
- Jun 2023 - Jun 2025: Focus on clinical pharmacy based services relating to appropriate use of medications following hospital protocols, guidelines and documentation process

### Additional Opportunities

- Leadership opportunities: Chief, Co-chief, and Social Chair intern positions selected each year
- Professional development: CV review sessions, residency application preparation, project management, communication and networking, topic discussions, journal clubs, interview skills, mentor/mentee program

### Time Commitment

The internship commitment begins December 2021 and continues through June 2025. SMH will collaborate with the intern and Pharmacy school OEP office to incorporate IPPE and APPE rotation schedules into work schedule and provide availability at SMH for IPPE rotation requirements.

### Staffing Requirements

- New hires must be available for 1-week minimum of training during holiday break
- Weekly 4 hour shifts (*Considerations are made for those outside the geographic area*)
- Every third weekend
- Full time (40 hours/week) in summer
- One major holiday per year (Thanksgiving, Christmas or New Year's)

### Rate of Pay

\$17.75/hr + evening and weekend differentials as applicable

### Interested Candidates (first year pharmacy students)

- Interested candidates should utilize the QR code above and apply at [www.smh.com](http://www.smh.com) for the "pharmacy intern PRN" position by **September 24<sup>th</sup>, 2021**
