

Visiting Scientist Fellowship

2022 - 2023

ELI LILLY AND COMPANY

Interested in post-graduate opportunities in the pharmaceutical industry?

The **Visiting Scientist Fellowship (VSF)** is a highly-respected industry-based program designed to train professionals for a career in the pharmaceutical industry through cross-functional exposure to medical, commercial, clinical, and regulatory aspects of drug development. Eligible degrees include: PharmD, MD, PhD, and relevant Masters.

“Take what you find here and make it better and better.”

- Colonel Eli Lilly, 1882
