

About Orlando Health

Dedicated to our mission of improving the health and quality of life of the individuals and the communities we serve, Orlando Health is one of Florida's most comprehensive not-for-profit healthcare organizations.

Since 1918, Orlando Health has been part of the Greater Orlando community, growing from a single hospital into an award-winning community-based healthcare network of hospitals, physician practices and outpatient care centers throughout Central Florida.

Learning experiences are available at:

- Orlando Regional Medical Center
- Arnold Palmer Hospital for Children
- Winnie Palmer Hospital for Women & Babies
- Dr. P. Phillips Hospital
- South Seminole Hospital
- Orlando Health Cancer Institute

About Orlando Regional Medical Center

- Orlando Health's flagship hospital, and home to the region's only Level One Trauma Center
- Specialties in trauma, cardiology, vascular, stroke, neuroscience, oncology, surgery and orthopedics
- Chest Pain Center accreditation with PCI, Heart Failure accreditation and Atrial Fibrillation certification
