

FIND OUT MORE ABOUT OUR PHARMACY RESIDENCY PROGRAMS

Join us for a virtual information session to learn more about the pharmacy residency programs at the University of Iowa Hospitals & Clinics (UIHC). Each session will provide an overview of UIHC and the wide variety of patient care, education, and research activities residents participate in. Following the overview, program-specific breakout sessions will highlight our PGY1 and PGY2 residencies. You will have an opportunity to ask questions and get to know our program directors, coordinators, and current residents. We hope to see you there!
